## About

---

Overlooking the summit of St. Michael is a neighborhood reminiscent of a classic Americana, a neighborhood where children play along the tree-lined boulevard and neighbors enjoy leisurely sidewalk strolls, where cul de sac kick ball is a Saturday ritual and families share hot chocolate on the frozen skating ponds. The Highlands is a place where the sun greets the day amidst the rolling hills, and the soft glow of the streetlights is a warm welcome home.

Blending the land with the architecture, each home within The Highlands is a fitting tribute to the community, while maintaining its own distinctive flair. Plans are drawn to meet the individual tastes of the homeowners, ensuring each home offers the perfect living spaces and amenities for their lifestyle. Quality materials and fine craftsmanship are hallmarks of The Highlands community.

The amenities are a distinctive benefit to The Highlands, featuring a neighborhood pool, pool house, gazebo, playground, basketball court, and picnic area with BBQ grills. This is the perfect spot for large parties and impromptu gatherings alike. All this can be yours within the surroundings of The Highlands neighborhood.
